## **MANUFACTURER'S DECLARATION DETEX with LUMITRACK**

For use in Export Registered Meat and Meat Product Establishments

I, Torill Holm, International Registration Specialist for Bell Laboratories, Inc. do hereby declare the following:

1. Detex with Lumitrack does not contain any hazardous or active ingredients and is not considered a hazardous substance.
2. All ingredients used in the manufacture of this rodent monitoring bait are either food grade, next to food grade, or synthetically derived. All ingredients used in the manufacture of this rodent monitoring bait, are manufactured, produced or grown in the United States and upon receipt at our manufacturing facility undergo thorough inspection of the ingredients for purity and cleanliness.
3. Detex with Lumitrack, when used in accordance with label instructions
  - Is fit for the purpose for which it is to be used
  - Will not contaminate animals, meat, and meat products
4. Detex with Lumitrack is also known as Detex with Lumitrack Blox, Detex with Biomarker, Detex Blox with Biomarker or Detex Blox.

Sincerely,

Bell Laboratories, Inc.

A handwritten signature in black ink, appearing to read 'Torill Holm', is written over a faint, circular stamp or watermark.
