READ SAFETY DIRECTIONS

BattleaxePRO®

Professional Crack & Crevice Aerosol

ACTIVE CONSTITUENTS: **20 g/kg PROPOXUR**
2 g/kg TETRAMETHRIN
10 g/kg PIPERONYL BUTOXIDE

For control of bed bugs, cockroaches, ants, spiders, flies and other insect pests as specified in the directions for use table

420 g net

DIRECTIONS FOR USE
Shake can well before use.
BattleaxePRO®, when used according to directions, will give effective residual control of insect and other pests listed below in situations such as domestic, public service, industrial and commercial areas.
Spray crawling insects and infested areas using the supplied crack and crevice extension tube inserted into the harbourage.
Apply as a barrier spray around inaccessible places.

PEST	STATE	CRITICAL COMMENTS
Bed bugs	All States	Lightly spray mattresses, bed frames and skirting boards.
Ants		Spray around and in garbage bins, food disposal areas, sills and other points of entry.
Spiders		Spray eaves, webs and other sites where spiders lurk.
Flies, mosquitoes		Spray surfaces where flies and mosquitoes settle. For outdoor fly control, spray garbage bins and around unit incinerators and barbecues.
Silverfish		Spray around bookshelves, drawers, along skirting boards and architraves.
Clothes moths, carpet beetles		Spray clothes storage areas. Lightly spray carpets particularly in areas of little or no traffic.
Cockroaches		Spray skirting boards, cupboards, drawers, behind and under stoves and other kitchen appliances. Use extension tube to direct spray into cracks, crevices and other hard to reach places.
Millipedes, earwigs		Thoroughly spray surfaces where they are found or where they enter homes.
Slaters (woodlice, common pillbug)		Spray surfaces where they congregate, eg in laundries, sheds and under pot plants.
European wasp	NSW, Vic, Tas, SA, WA only	Use for accessible nests. Spray after dark and wear insect proof clothing to avoid being stung. Spray in and around nest entrances until the nest is saturated. Spray again 3 days later then destroy the nest.

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION

PRECAUTIONS
Keep out of reach of children
FLAMMABLE Do not store or use near fire or flame. Do not spray uninterrupted for more than 10 seconds in confined spaces. Ensure good ventilation.
BEWARE: Deliberately sniffing or inhaling concentrated spray can be harmful or fatal.
Do not use as a space spray. Do not spray directly onto humans, pets, exposed foods, food utensils or food preparation surfaces.
When flushing insects in cracks, crevices and voids, spray in controlled bursts. Use with caution to avoid spray splashback.
Remove or cover fish tanks before spraying. Remove pets from rooms before and for a short time after treatment. Sundew BattleaxePRO may damage some plastics and hand made textiles, therefore make a test application first.
SAFETY DIRECTIONS Avoid contact with eyes and skin. Do not inhale vapour or spray mist.

FIRST AID If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 131126. If sprayed on skin, wash thoroughly. If sprayed in mouth, rinse mouth with water.

STORAGE AND DISPOSAL Keep in a cool place out of the sun. Do not puncture or incinerate can, even when empty. Recycle empty cans if a facility is available or place used can in household rubbish.

LIMITATION OF LIABILITY This product is designed only for the particular purposes indicated on this label. Failure to use this product strictly as directed may be illegal; prove dangerous; render the product ineffective and void any Warranty or Liability of Sundew Solutions Pty Ltd.
