RE: COUNTRY GLYPHOSATE 360

Dear Craig,

We would like to confirm that our product, "Country Glyphosate 360" is registered for, and is safe to use, in aquatic areas.

This is commonly referred to as 'frog friendly' Glyphosate.

Naturally, users should always follow label directions closely for aquatic and general use.

Should you require further information please do not hesitate to contact us.

Yours faithfully,
A&C Rural

Craig Ellis
