NO KEY REQUIRED

Part Number: RCS/TUN/R- RAT, RCS/TUN/M - MOUSE
*with 2 snap traps included!

Introducing the new ST (Straight Through) station, a multi-catch trap system. Featuring an advanced lockable, tamper resistant system the unlocking mechnanism is hidden and can be operated by hand with no key required.
These next generation traps can be used for all rodent control programmes. Designed to offer mice or rats a straight run through/line of sight. Custom labelling/branding available (minimum order quantities apply).

Take your rodent elimination to the next level with **RCS ST**, proudly distributed by Garrards Pty Ltd
