Introducing the RCS Dual Techno. This multi-function unit can be used as a standard bait station or a concealed snap trap station. Comes with pre-mounted bait rods in both vertical and horizontal placements. The station has a rigid design to withstand harsh conditions. Can be mounted or secured via RCS Stick 'N' Go metal ties for an easy and quick setup. Snap traps are sold seperately and lock into place when combined. Further add a zip tie to use as a visual indicator and activation mechanism. Custom labelling/branding available (minimum order quantities apply).

Take your rodent elimination to the next level with **RCS Dual Techno**, distributed by Garrards Pty Ltd

Pre-Installed Baiting Rods

Add a zip tie to the optional RCS snap trap to have an easy visual indicator and activation mechanism

Use it with an optional RCS Snap (Locks into place)
