NEW

APPLY BAIT LIKE NEVER BEFORE!

Introducing

DOXEM PRECISE

FOR USE ONLY WITH THE

PRECISION DELIVERY SYSTEM

Packaging: 4 x 5 gram cartridges/box

Doxem Precise is a dry flowable bait formulation that is non-staining, long lasting and easy to apply. It is specially designed to flow through the Precision Delivery System (PDS), penetrating deep into cracks, crevices and voids where pests live and breed.

- Consistent application
- Less wasted material
- Doesn't harden or get crusty
- Withstands extreme temperatures
- Only available to professional pest controllers
- Safe around electrical equipment

Formulation
Dry Flowable Bait, AI: 8/kg Indoxacarb

Effective Against
Cockroaches and ants

Use Sites
Indoors, outdoors and commercial food handling areas

Use Rates

Grams Applied	# Placements/5g Cartridges
