DOXEM PRECISE

FOR USE WITH THE PRECISION DELIVERY SYSTEM

APPLY BAIT LIKE NEVER BEFORE!

Doxem®Precise Dry Flowable Bait.

Doxem Precise is a dry flowable bait formulation that is non-staining, long lasting and easy to apply. It is specially designed to flow through the Precision Delivery System (PDS), penetrating deep into cracks, crevices and voids where pests live and breed.

- Consistent application
- Less wasted material
- Doesn't harden or get crusty
- Withstands extreme temperatures

Formulation
Dry Flowable Bait, AI: 8g/kg Indoxacarb
