In-Ground Termite
Bait Stations

IN-GROUND TERMITE BAIT STATIONS

For use with Agenda® Termite Bait

The Bayer In-Ground Termite Bait Station contains timber interceptors and is designed to intercept and concentrate foraging termites. Once termite activity is established in the Bayer In-Ground Termite Bait Station, the application of a termite bait is recommended. Read the label directions for Agenda® Termite Bait before using the bait in the Bayer In-Ground Termite Bait Station.
