## GENERAL INSTRUCTIONS

### PRODUCT INFORMATION

This product is not suitable for use as a standalone termite management system for an entire structure. HomeGuard® sheeting products (DPC, Blue and TMB) when used in conjunction with HomeGuard® Collars and HomeGuard® GT are intended for use as a complete Termite Management System.

**Caution:** Use only in well ventilated areas.

### APPLICATION

Cut the seal at the top of the cartridge. Cut the nozzle end to desired opening (approx. 5 mm diameter). Fit to the top of the cartridge.

**Drying Time**: Skins immediately, maximum toughness achieved over several days.

**Clean Up**: Turps. Remove dried sealant from skin by gently rubbing with petroleum jelly.

**Notes:** May damage some plastics e.g. polystyrene, polycarbonate. Not for permanent water immersion. When cold, store at room temperature for easier use.

### STORAGE AND DISPOSAL

Store in closed original packaging, in a cool, well ventilated dry area away from children, animals, food and feedstuffs. **DO NOT** allow cartridges or packing to get wet. **DO NOT** store for prolonged in direct sunlight.

**DO NOT** store HomeGuard® Termiflex in high temperature areas such as utility boxes or tool boxes that are subject to direct sunlight. If this product is exposed to high storage temperatures it may ruin the integrity of the cartridge and/or plunger. Dispose of empty cartridge by wrapping in paper, placing in a plastic bag and putting in garbage.

### PROTECTION OF WILDLIFE, FISH, CRUSTACEAN AND THE ENVIRONMENT

Very toxic to aquatic life. **DO NOT** contaminate streams, rivers, wetlands or watercourse with product or the used containers. **DO NOT** use in or around fishponds. **DO NOT** use on fish tanks.

### PROTECTION OF PETS AND LIVESTOCK

Before applying, remove animals and pets from the areas to be treated. Ensure that treated areas are never accessible to pets or livestock.

### WARRANTY

FMC makes no warranty expressed or implied, concerning the use of this product other than that indicated on the label. Except as so warranted the product is sold as is. Buyer and user assume all risk of use and/or handling and/or storage of this material when such use and/or handling and/or storage is contrary to label instructions.

### WARNING

Avoid repeated exposure or prolonged skin contact. Use in well ventilated area. Intentional misuse by deliberately inhaling the vapours from this product can be harmful or fatal. Highly flammable vapours can be ignited by flame or spark. This product has been classified as hazardous according to the criteria of Safe Work Australia. Please consult the safety data sheet for more information.
