FoliMAX

NFE 15% N, 6% Fe, 2% Mn

AMMONIUM STABILISER & FE EDTA CHELATE TECHNOLOGY

NUTURF

DIRECTIONS FOR USE:
Apply as a spray application during the growing season on all turf grass for immediate green-up and a prolonged response in turf quality. Apply to most landscape plants to overcome Iron and Manganese deficiencies. Dilute with water, using the desired rate and apply in sufficient water to achieve adequate coverage. Use a water volume of 5–15L per 100m^2 (500–1500L/Ha), depending on the application rate. Avoid mowing for 24 hours following an application.

Situation	Rate	Comments
Fine cut turf (golf and bowling greens)	20–40L/Ha 0.2–0.4L/100m^2	Apply in a minimum of 500L of water per hectare. Repeat every 14–30 days during the active growing season. For pre-tournament green-up apply at the higher rate one week prior to event.
High cut turf (fairways, sportsfields)	30–50L/Ha 0.3–0.5L/100m^2	Apply monthly in required no less than 500L/Ha. For pre-tournament green-up apply at the higher rate one week prior to event.
Landscape plants and ornamentals	300mL/100m^2	Repeat the application every 30 days or as required.

MIXING:
Fill spray vessel with half the required volume of water. Shake container of FoliMAX NFE and add required amount to spray tank while agitating. Add remaining water to the spray tank. Continue agitating during application. Wash out spray tank, including nozzles, immediately after use.

STORAGE, HANDLING AND DISPOSAL:
Do not store below -16˚C, as crystallisation may occur. Do not contaminate lakes, streams, dams or ponds by cleaning equipment or disposal of waste. Avoid contact with eyes and skin by wearing appropriate protective equipment, such as gloves, boots and safety goggles.

FIRST AID AND SAFETY DIRECTIONS:
In case of contact with eyes or skin, flush at once with large amounts of water. If irritation persists, seek medical attention. If swallowed, drink large amounts of water and induce vomiting. Seek medical attention.

CONDITIONS OF SALE:
Nuturf shall not be liable for any loss, injury damage or death whether consequential or otherwise whatsoever, or howsoever arising whether through negligence or otherwise in connection with the sole, supply, use or application of this product. The supply of this product is on the express condition that the purchaser does not rely on Nuturf's skill or judgement in purchasing or using the same and every person dealing with this product does so at his own risk absolutely. No representative of Nuturf has any authority to add to or alter these conditions.
