Imperator®

There's Nowhere to Run, Nowhere to Hide.

The Smoke Generator Trusted by Pest Controllers

Imperator®

There's Nowhere to Run, Nowhere to Hide.

- **Ready-to-use smoke generator**
- **Fast and effective knockdown of a wide range of problem pests**
- **Cost and time effective - no equipment required and frees you up to do other work while treatment takes place**
- **Maximum penetration in cracks and crevices**

GETTING THE BEST OUT OF IMPERATOR

- Imperator provides fast flushing action and initial kill for treatment of commercial and domestic premises.
- Is ideal for locations with difficult access. Fine particles give better penetration so there is nowhere for pests to hide!
- Provides an ideal alternative to fumigation and misting with results that your customers will see immediately.
- One x 31g Imperator treats up to 440m^3 (floor area x ceiling height).
- Close doors, windows and ventilators.

- REFER TO THE GENERAL INSTRUCTIONS & PRECAUTIONS SECTION OF THE PRODUCT LABEL.
- Remove all people, animals, fish and birds from the area to be treated.
- Place each Imperator unit on a fire proof base, ignite (farthest from exit first) and leave the treated area.
- Each Imperator unit will generate smoke for several minutes. Keep the area closed up for at least 3 hours. For best results, treat late evening and leave area closed overnight.

Remove cap exposing wick and light

Wick ignites Imperator and starts reaction

For best results keep area closed overnight

- Ventilate for at least half an hour before re-entry.
- Use Imperator in conjunction with cultural controls such as removal of harbourage and breeding areas of target insects.
- ***A detailed printable check list is available on distributor websites or contact info@liphatech.com.au***

WARNING: Imperator will activate Smoke detectors.
