

ABSORB DEAD RODENT ODORS EVEN IF CARCASS IS NOT REMOVED!

With EARTH CARE'S Odor Remover Bags

ADD MONTHLY SERVICE REVENUE:

- TRASH ROOMS
- MUSTY MILDEW ODORS
- LITTER BOXES
- NURSING HOMES
- SKUNK ODORS
- SMOKE & CHEMICAL ROOMS
- TRUCKS & CONTAINERS

ABSORBS ODORS LIKE A SPONGE.

NO FRAGRANCE, NO COVER UPS

To Use: Hang a bag in each room that has an odor. If odor is coming from attic or basement, hang additional bag in those areas as well.

- One bag covers 100 square feet
- In 24 hours odor is gone. (98% of time)
- Last 3-4 months in use or indefinitely in plastic wrap

More productive less costly:

- No mixing chemicals, or spray tanks
- No suiting up in protective clothing or respirators
- Increased profits and lower consumer costs

Product Confidence:

- Eliminate callbacks
- Years of success in pest control
- Happier customers
- Guaranteed to work
- Safe around children and pets even if swallowed

DISTRIBUTED BY

Dead Rodent Odor: "I had a stagnant water problem and dead rodent smell. After using one of your bags the odor was gone the next day."
Sal Amara, Cats USA Pest Control

"This is the best way we've ever had to eliminate odors from dead animals and animal excrement."
Steve Magruder, M&M Termite and Pest Control

Skunk odor: ".. within 24 hours the odor was completely gone...it performed miracles."
Julie Luke, Carlsbad, CA
