I, Margaret Fitzgerald, representative of the vendor of the above hazardous substance declare the above hazardous substance is suitable for use in export registered meat or meat product establishments for the purposes stated in this application, that I have supplied a copy of the label and safety data sheet with this declaration and acknowledge that this declaration is subject to the following conditions:

This declaration is rendered invalid by:

1. Any change in the formulation of the hazardous substance,

2. Any change in the instructions for use of the hazardous substance,

3. Any incorrect and/or unintended use which is not in accordance with the registered label of the hazardous substance as approved under APVMA product number 81040.

Signature of vendor .....Date 05 June 2017

Declaration of qualified chemist

The hazardous substance identified above, when used in accordance with the directions on the label:

• is fit for the purpose for which they are to be used;

• will not contaminate animals, meat and meat products.
