Contains:

Description:

"SEQUES 2" is a fragrant liquid laundry detergent that combines the washing power and economy of a powder with all the convenience of a liquid.

"SEQUES 2" contains a high level of quality detergent with added water softeners and optical brighteners to ensure ease of dissolving and rinsing, as well as the ability to pre-treat stubborn stains prior to washing.

"SEQUES 2" contains a high level of surfactants and alkaline builders to dissolve and hold laundry soils in solution so they can be thoroughly rinsed away.

Directions:

For use in hot or cold water:

- **Automatic machines – 1/3 to1/2 Cup.**
- **Twin Tubs & Front Loaders- 1/3 to 1/2 Cup.**
- **Top Loaders & Wringers – 1/2 to 1/3 Cup.**

LAUNDRY ADVICE:

- The quantity required will vary depending on the nature and degree of soiling, as well as wash temperature.
- Better results are always obtained with warm/hot water.
- Read and follow garment washing instructions.
- Wash colours separately.
- Not recommended for silks or woollens.

HEALTH AND SAFETY :

CLASSIFICATION: This product is **NOT classified as HAZARDOUS** according to criteria of the National Occupational Health and Safety Commission Australia. This product is **NOT classified as Dangerous Goods** according to the Australian Dangerous Goods (ADG) Code. This product is **NOT classified as a Scheduled Poison** according to the SUSDP.

HAND & SKIN CARE:
After washing, rinse and dry hands thoroughly. People with sensitive skin should avoid prolonged contact with the washing solution or should wear protective gloves.

Risk: None Allocated
Safety: None Allocated

FIRST AID :
For advice, contact a Poisons Information Centre (phone Australia 13 1126) or a doctor. If swallowed, do NOT induce vomiting. If in eyes, hold eyelids apart and flush the eye continuously with running water. Continue flushing until advised to stop by the Poisons Information Centre or doctor, or for at least 15 minutes. If skin or hair contact occurs, remove contaminated clothing and flush skin and hair with running water. **For more information, please read the Material Safety Data Sheet for this specific product.**
