RE: COMPLIANCE OF TERMIDOR RESIDUAL TERMITICIDE AND INSECTICIDE WITH THE BUILDING CODE OF AUSTRALIA AND AUSTRALIAN STANDARDS

BASF Australia Pty Ltd confirms that Termidor Residual Termiticide and Insecticide (APVMA Approval – 54624/57858) meets the performance requirements of:

Australian Standard AS 3660 Termite Management, Part 3 Assessment criteria for termite management systems; Second edition AS 3660.3:2014.

This standard is recognised by the Building Code of Australia.

Data which confirms the performance and compliance of Termidor Residual termiticide and Insecticide has been submitted, reviewed and accepted by the Australian Pesticides and Veterinary Medicines Authority (APVMA). Australian Standard, *AS 3660.3:2014 section 1.4.18*, identifies this authority as the Pesticides Register – The government body responsible for the registration of pesticides.

Termidor Residual Termiticide and Insecticide is also approved for use under:

Australian Standard AS 3660 termite Management, Part 1: New Building Work; Third edition 2014

Inclusive of use through Reticulation Systems meeting requirements as stipulated in the Australian Building Codes Board CodeMark™ program.

Proof of registration and approved product use patterns and situations can be confirmed of the APVMA PubCRIS portal - https://portal.apvma.gov.au/pubcris

Kind Regards,

Gavin Heard
